Haydn: Quartet in D Major, Op. 20 #4

Saturday, April 30, 2011

Haydn: Quartet in G Major, Op. 77 #1

FROM 10:00 A.M. TO 5:00 P.M.

These two lovely quartets, one from Haydn's earlier period and the other written very late in his life, are both great favorites of players. Deceptively difficult to play, together they provide an interesting context in which to experience the genius of 'Papa' Haydn.

THE WORKSHOPS WILL INVOLVE:

- one-on-one coaching in quartet format
- a talk by Dr. David Clampitt, musicologist at Ohio State University, on historical and theoretical aspects of the works
- a performance of each work by the MSQ

We are pleased to offer these full-day workshops to all players -- amateur, student and professional. Pre-formed groups are encouraged to apply.

Due to the individual nature of the coachings, each workshop is limited to 32 participants.
